

Measurements for Race Fit and Std Fit Knicks are the same and are a firm fit.
 Waist - Measure around natural waistline, keep tape comfortably loose.
 Hip - Measure around fullest part approx. 22cm below waist.
 For a loser fit, we suggest you size up, but leg fittings will also be loser.
 Because sizing varies between brands, we offer a free size exchange, if you require a different size **(Does not apply to Custom-made Kit-sizing samples are available)**
 Should you have sizing requirements outside the range above, please email your enquiry to;
bikegearnow@gmail.com
